

Industrial Park

Overview

The Industrial Park is on the south west end of Grand Forks in an area well suited for industry, manufacturing, shipping, and companies with large facilities. The Park has very easy access to the interstate as well as rail and air transportation.

The City of Grand Forks and Grand Forks County recently completed the purchase of 123 acres just south of the existing Industrial Park. Infrastructure is being expanded and work beginning on the site. The completion is projected for 2011.
